On Barbados, only one thing can grow as fast as sugar cane. Your plant.

If you're looking for a perfect plant site, you need look no further than Barbados.

Let's start with the simple things like the weather. Our climate is almost perfect all year round. Sunshine, blue skies, and the cooling trade winds.

Our people are warm and friendly, with a literacy rate of 98%. And by the way, English is our mother tongue. Our island is one of the most beautiful in the Caribbean. With every sport on land and sea imaginable. These things all serve to help industry.

But now let's get down to business.

There are eight fully-serviced and fully-equipped industrial parks on Barbados, not to mention an international airport served by nine of the world's largest airlines, and a deep-water harbour in Bridgetown.

Our communication systems are the finest in the Caribbean (both internal and external) and include worldwide cable and wireless connections.

And as added incentive, you pay no corporate income or trade tax for a long ten years. Plus no duties on the machinery or raw materials you need to produce your product for export.

Things do grow very fast on Barbados, especially industry.

She loves her side of Barbados.
It soothes her.

She loves her side of Barbados
because it's so peaceful. Calm.

She loves a place that's so
serene.

She loves her side of Barbados
because she loves to sail on the
tranquil Caribbean.

She loves her side of Barbados
because it has a charm all its own.
She loves to see the windmills
swing here.

She loves her side of Barbados.

He loves his side of Barbados.
It moves him.

He loves his side of Barbados
because it's exotic. Alive.

He loves a spot that's really
wild.

He loves his side of Barbados
because he can surf in the
roaring Atlantic.

He loves his side of Barbados.
It has the flavor of Scotland.
He loves to swing here.

And he loves his side because
it's next to her side.

Book your clients to Barbados. They'll love it for so many reasons.

Duty-free shopping. Lush gardens. Flying fish.

The smoothest of rums. And the friendliest of people.

The reasons to go to Barbados are as different as Barbados is.

BARBADOS

Just 21 miles long and 5 miles wide.

My side
of Barbados is wild.
It moves me.

I love Barbados.
It's exotic. Alive.

I surf in the
Atlantic. It roars
against my board.

I ride horseback
on the beach. Lush
trees fringe the
sand and lead me to
a garden glen.

People swing
here.

And I love my
side. Because it's
right next to her
side.

BARBADOS

Just 21 miles long
and a smile wide.
